AVONDALE No. 136

PROPOSED WHAU BOARDWALK

Proposed Riverside ramble:

13km

Path along Whau River, from Te Atatu Peninsula Walkway to Olympic Park in New Lynn.

3-4 metre wide for cyclists and walkers, Rest areas, jet-ties.

5 suburbs crossed: New Lynn, Avondale, Kelston, Glendene and Te Atatu South

A bid to link two harbours via a new path for walking and cycling has been launched. The path is proposed to go

along the Whau River – an arm of the Waitemata Harbour that reaches from the Te Atatu waterfront to deep inside West Auckland suburbs nudging the Manukau Harbour.

As well as a draw for visitors, the 13km Whau project would restore the river's nature, link existing parks, reserves, greenways and neighbourhoods and give public access to the river. The path would be connected under the Te Atatu motorway bridge to the peninsular walkway and, at Olympic Park, New Lynn, would link with the Portage Road walking/cycling paths to the shores of the Manukau Harbour.

Just for a Laugh....

"Where is my Sunday paper?"

The irate customer calling the newspaper office, loudly demanded to know where her Sunday edition was.

"Madam", said the newspaper employee, "today is Saturday. The Sunday paper is not delivered until tomorrow, on SUNDAY".

There was quite a long pause on the other end of the phone, followed by a ray of recognition as she was heard to mutter, "Well, shit, that explains why no one was at church either."

DINNERTIME!

Are you hungry or lonely or just like eating with others?

Well, Avondale Baptist Church invites you to join us for a delicious dinner at The Intersection Lounge - cnr Blockhouse Bay & New North Rds, Avondale on the first Sunday of each month. Bookings are essential so phone the Church Office on 828 0182 on the Thursday beforehand. All welcome.

Deadline for next issue of Spider's Web - Thursday 25 September at 12 noon. Enquiries email Bernie on aba@avondale.net.nz

Whau Local Board Meetings

The following were amongst the items discussed at the June meeting of the Whau Local Board at New Lynn, 20 August 2014.

Deputations

Stewart Exler - Exler Turf Limited & Stefan Crookes
Stewart Exler (Exler Turf Limited), Stefan Crookes (Suburbs RFC), Alex Glasgow (NZ Sports Turf Institute) and Brian Nola (WRFC) were in attendance to present to the local board on repair and maintenance of sports fields in Auckland.

Public Forum

Sister Rene Shadbolt Park – Stefan Crookes reported that the Suburbs Rugby clubhouse is now open, and thanked the Board for their support

Sio Lafaele – Aspire Community Trust

Their vision is to inspire youth and wider community to be creative and original, through community programmes. They want to give youth in the community to drive their own success stories. The trust is made up of two branches – Aspire Events and Aspire Media.

Carlos Ulberg

Mr Ulberg set up the Carlos Ulberg Trust to help troubled youth first in the Whau area, and later intends countrywide expansion of his programmes. Wants to equip youth with the right resources. Currently is based in Kingsland, but is seeking to establish a base in this area.

Board Chairman's report

Draft local Board Plan meetings

1. We hosted some very successful local board plan public meetings where we received your feedback and encourage written submissions to the Draft Whau Local Board plan. The submission closing date was 6 August and the Hearing will be held on September 3rd at the Whau Local Board office, 31 Totara Ave.

Mataawaka Meeting

2. I attended a western board cluster meeting with representatives of the Henderson-Massey and Waitakere Ranges boards to listen to Maori input into our Draft Local board plan and ensure that we build trust and collaboration towards achieving improved outcomes for Maori.

Proposed Whau Coastal Boardwalk

3. At Bay Olympic in Portage Rd, I attended the launch of the Whau coastal Boardwalk. Whau Councillor Ross Clow is coordinating many groups to design and fund a coastal boardwalk from Olympic Park in New Lynn heading west along the Kelston Whau River coastline and extending onwards through the Henderson-Massey ward. Partnerships between our boards and the Charitable Trusts Foundation will facilitate and build a significant boardwalk. A steering committee will set up a trust entity to provide project oversight.

Launch Pad Careers Expo

4. At the New Lynn Community Centre a Careers Expo with Youth Services West attracted 100 participants, and 96 signed up with youth services. I saw many young people engaged in discussing further training and career planning. New Lynn Centre co-ordinator Christine McFarlane says she loves to be part of planning for success for our young people.

Former St Andrew's Sunday school hall, Margan Ave New Lynn

5. Heritage portfolio lead Derek Battersby and I met heritage manager Noel Reardon onsite at this historic building in Margan Ave. Following heavy rain some of the bricks have fallen to the ground on the exterior wall of this building. Noel will investigate how the Heritage Acquisition fund could support retention of this scheduled historic building.

Avondale Redevelopment moves up priority list

6. Early work on the Long-term plan has identified the inner west triangle including Avondale as an area of spatial priority based upon a number of factors including the rail infrastructure and planning work already done. This is good news for our continued advocacy for Avondale. The Mayor's Message which will be released on August 28th announces funding priorities for the Long Term Plan 2015-2025.

Greenways Planning continues

7. One of our local board plan outcomes is that it's 20 minutes to everything we need. Alternatives to car travel will enact this outcome and pathways connecting neighbourhoods known as greenways are part of the solution. Our greenway planning priorities are:

Heron Park to Holly St
Miranda Reserve connections
Craigavon Park connection

Rizal Reserve to Delta Ave
Riversdale Reserve circuit

Citizenship Ceremony

8. The Western area ceremonies to welcome and present citizen certificates to new New Zealanders are wonderful occasions. I always enjoy seeing people from all over the world valuing what our country can offer.

Inaugural Fast response events grants

9. At our July meeting (CP2014/15057) we set aside \$10,000 from within our events budget for our fast events grants scheme, for grants of \$1,000 or less. A number of groups and opportunities have been identified and considered by a number of local board members at the local board Events Portfolio meetings.
10. The following groups and activities are proposed for board ratification from this funding:
 - a. Avondale Community Gardeners: Community environmental event in Avondale.
 - b. Festival of Cultures Trust: Community festival celebrating diversity in New Lynn.
 - c. Aspire Trust: Inspirational youth event with music acts & guest speakers.
 - d. Kelston Samoan Youth: Local youth production of music, drama & dance event.
 - e. Nafanua Brass Band: Music recital for the community by a local brass band.
 - f. Leautoa Foundation: Community event for youth.
 - g. 105 Media: Event for local emerging music artists & workshop with industry experts.
 - h. Wesleyan Youth Group: Community music event for local choirs & youth groups.
 - i. Carlos Ulberg Trust: Sporting youth event to keep our community active & healthy.
 - j. Pasifika Sports Trust: Local sporting tournament for the wider community.

Auckland Transport report

Pedestrian crossing, Heaphy Street, Blockhouse Bay

Auckland Transport's investigation confirmed that Heaphy Street is the only leg of the five-leg roundabout that did not have a formal crossing. The location was assessed for a pedestrian crossing, carefully considering several factors such as pedestrian demand and desire line, traffic volumes, crash history, and proximity to driveways and side streets, amongst other factors. The investigation has concluded that a zebra crossing facility on Heaphy Street will result in significant pedestrian and vehicular safety benefits, providing easier and safer navigation of the roundabout for pedestrians, and encouraging care and awareness of pedestrians by drivers.

Issue 28 - September 2014

APATHY - a community spirit-killer

There's been quite a bit of discussion around the Rosebank neighbourhoods about this problem in the past couple of months, and the consensus seems to be that people either don't care anymore, or that they just accept that it is what it is (where increased crime, increased rubbish, reduced maintenance and a lack of facilities is concerned). WHY?

Why accept the opinion, often expressed, that your community appears to be being treated like "The Lost Tribe" by elected representatives?

Almost 90% of the reported crime in the NPT area happens in Rosebank, so the NPT naturally concentrate more of their prevention patrols there. But when we have a crime spike in Waterview, we get to hear about it pretty quickly - from the community; in Rosebank, the silence is deafening. Why is that? Is having 100 of your neighbours every month being crime victims acceptable? So long as it's not you?

Why do we have 60 people turn up to a community meeting in Waterview to discuss starting a Community Patrol in the NPT area, but the same meeting in Rosebank we had only 8 people turn up? And the next (well advertised) meeting we only had 14?

Why can we not find more people in Rosebank to join the Community Patrol, and help be part of the solution, instead of accepting the problems? So we have a very small team who can only patrol occasionally.

Why do we easily get Waterview people to join our Neighbourhood Safety Panel, but have struggled to get people from Rosebank over the 3 years?

Police and the NPT staff are one part of the problem-solving process. The wonderful, hard-working and committed volunteers (who all have full-time work as well) on the Safety Panel are another part. But without the wider community rallying to positively change your neighbourhood, the same issues and grudging acceptance of them will remain, and the growing reputation of community apathy will be your legacy.

Don't be the silent majority - challenge the 'norm', challenge the decision-makers to invest in your neighbourhood. Talk to your neighbours.

We know from our interactions when NPT started that people are proud of their homes and families, so let's be proud of our neighbourhood too!

While total reported crime in July was down compared to the past two months, property crime accounted for 75% of it - 25 reported burglaries & 15 thefts from cars, nearly all in the residential areas.

Several prevention measures can help reduce the opportunity for offenders to commit crime;

- Lock your doors and windows at night, and anytime you're out
- Install alarms, and turn them on if you are not at home
- Always lock your car, even at home
- Don't leave valuables in your cars, including GPS/phones
- Activate your car alarm/immobiliser even when at home
- Look out - ring 111 straight away if you see anything suspicious

**DON'T BE
A VICTIM!**
**LOCK
YOUR CAR**
**TAKE
YOUR KEYS**
**REMOVE
YOUR BELONGINGS**

Our Facebook page reached another milestone, with our 500th 'LIKE' in August. Thanks to our supporters, and please 'Share' this page, and feel free to join us for regular updates about stuff in our NPT area. We've also signed up to neighbourly.co.nz, which is another way of keeping contact with and being available for our neighbourhoods.
